

November, 2011

Dear Library Patron,

Thanks to your generosity, the Cross' Mills Public Library has continued to be able to provide important and unique services to the residents of Charlestown during these difficult economic times.

It is a pleasure to report to you that during this past year, two major capital improvements have been initiated and completed: the Children's Room upgrade and the Memorial Garden. These two projects have dramatically improved both the service capabilities and the beauty of the Library. Also during this period our community programs have been expanded and diversified. These include the very well attended summer music series held for ten Friday nights this past summer, the three Friday night holiday music series last December, nature programs, children's reading hours, craft projects, community interest presentations, family movie nights and other activities. In fact, program attendance increased over last year.

Achieving our 2011 patron appeal budget of \$24,000 is essential to both maintain current service levels and also to provide new capabilities addressing our community's library needs. In these challenging economic times, our Library is here for all at no charge. As a non-government institution, we are dependent upon your generosity to enable us to serve you!

On behalf of all members of the board, thank you for believing in Cross' Mills Public Library and our mission to provide you the essential informational, educational, and entertainment services you rely on.

Sincerely,

Peter Herstein  
President, Board of Trustees

My/our tax deductible contribution of \$ \_\_\_\_\_ is enclosed. Please make check payable to Cross' Mills Public Library.

Thank you.
